FANTASTIC
MAK OUR

The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. That beauty is a woman is reflected in her soul and it's the way that she brings light to the places that she lives. It is the beauty of a woman only that goes with passing years.
