I wear my sort of clothes to save me the trouble of deciding which clothes to wear.

Never, ever confuse what happens on a runway with fashion. A runway is spectacle. It's only fashion when a woman puts it on. Being well dressed hasn't much to do with having good clothes.

Over the years I have learned that what is important in a dress is the woman who is wearing it.™

The most important thing to remember is that you can wear all the greatest clothes
and all the greatest shoes, but you've got to have a good spirit on the inside.
That's what's really going to make you look
like you're ready to rock the world.

My fashion is about the urban woman in the year 2020s. I think about obscure, weird things and try to create a world around them.

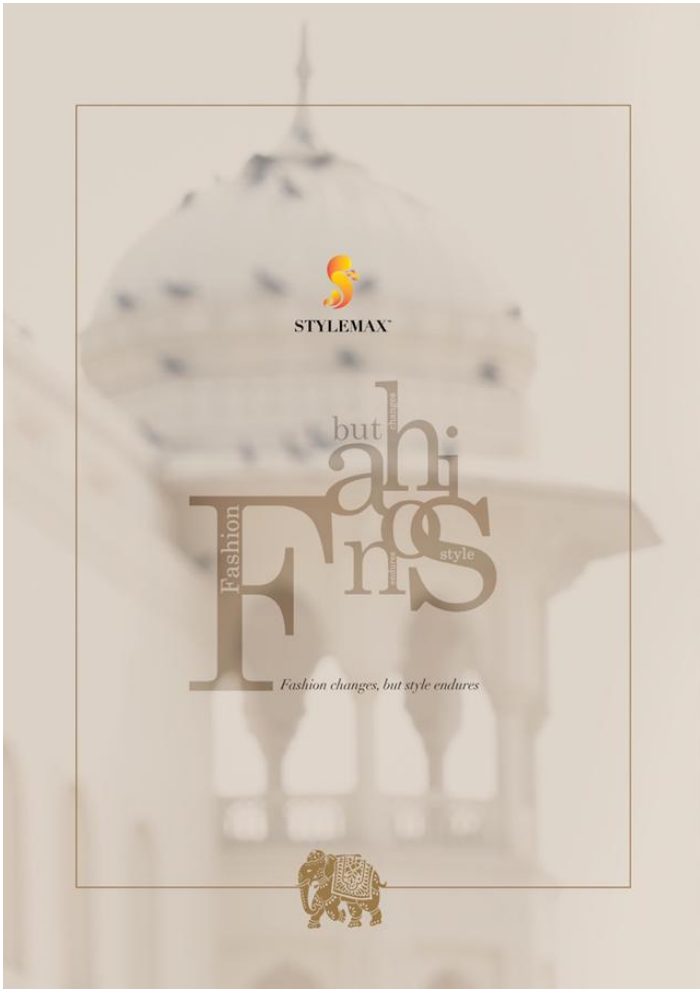

Fashion is the part of the daily air and it changes all the time, with all events.
You can even see the approaching of a revolution in clothes.

When you don't dress like everyone else, you don't have to think like everyone else.
