# I LOVE DESIGN

What's the meaning

shabby chic??

Literally the word "shabby" is old and very nice! This word was first used in a magazine in the 80s by a designer Rachel Ashwell who named her brand Shabby

but in reality it's an interior design style that became popular when the name name : Chic

Many people think that the "shabby chic" has European origins because of the time

shabby decor was first used in France at

The Shabby decor was popular absolutely in past ten in the

light colors I forgot-
