Some say all that glitters is not gold. That myth is shattered when they stare at your divine dress.
They realize that what you're wearing is more precious than gold,
and makes you look like a true goddess. The bearer of the sublime sheen.

Some dresses are tailored with the most exotic materials. Usually,
a designer develops the motifs which make his dress truly special.
He had crafted it with equal measures of grace, bliss and pleasure.

And who else could do this but these heavenly beauties? Whose souls glow as unbelieved beautiful with these dresses.
