This sari is not just made of thread and fabric, it has been woven from the very essence of Spring.

The moment you don this magnificent creation, you change the world around you.

The natural world comes alive, and envelopes you in its living embrace. The world showers petals at your feet, as you walk... proud of stature and resplendent in attire.

Their patterns have been designed to the smallest detail to rival their features- perfect to the smallest degree. Some consider them illusions, judging from their perfection.

And when they realize that these damsels do truly exist, they marvel upon the richness of existence.

And the richness of the threads that adorn them.
