Fashiobista

The difference between style & fashion is quality. Fashion is a great thing, its a way to express who you are. Fashion is inspire by youth & nostalgia & draws inspiration from the best of the past. Fashion is almost like a religion, for me atleast.

Fashion should be stylish & fun. I still appreciate individuality style is much more interesting than fashion, really. Fashion should be a form of escapism & not a form of imprisonment.

Fashion is not something that
exists in clothes only, fashion is
in the sky, in the street, fashion
has to do with ideas the way
we live, what is happening.
