# COLOURS OF EXISTENCE

Small text describing the collection or brand, partially illegible.

D.No.1484

## THE ANGEL FROM THE EAST

The story of the angel from the east is a story of love and devotion. It is a story of a woman who has found her true love and is now living a life of happiness and contentment. The angel from the east is a woman who is beautiful and kind, and who has a heart full of love. She is a woman who is truly special, and who is the one for everyone.
