COLOURS OF EXISTENCE

Small text describing the collection or brand, likely in Hindi or a similar language, located below the title.

D.No.1484

THE ANGEL FROM THE EAST

The story of the angel from the east is a story of love and devotion. It is a story of a woman who has found her true love and is ready to sacrifice everything for him. The angel from the east is a woman who is beautiful, kind, and full of grace. She is a woman who has touched the hearts of many people and has become a legend in her own right.
