THE  
**FLORAL**  
4004 *Bliss*

# THE TREND *Report*

From the fashion  
activities and trend  
reports, the one constant  
factor is the influence of  
certain countries and  
ethnicities in designer  
collection, same is  
reflection of culture  
and regional flavour.

4003

Red Temptation to brighten up your look with an array off floral that will take you through the season in style.

Patterns on Flimsy fabrics which turns even the simplest style into something worthwhile. Experience the exotic floral bliss in soft greenish floral design.
