EVER FRESH CREATION

*The more often we see the things around us  
even the beautiful and wonderful things  
the more they become invisible to us.  
That is why we often take for granted the  
beauty of this world, the flowers,  
the trees, the birds, the clouds  
even those we love. Because we see things so  
often, we see them less and less.*

EVER FRESH CREATION

*The beauty of a woman is not in a facial, made but the true beauty in a woman is reflected in her soul.  
It is the way that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.*

D.NO:2120

*"I do not have much patience with a thing of beauty that must be explained to the understander. If it does need additional interpretation by someone other than the creator, then I question whether it has fulfilled its purpose."*
