

LIFE EVOLVES FROM SAND

From her haircare, from her clothes and from every thread she wears, she tells you in her quest. When there's beauty there's a life. From the stars above to the roads below, they all sing her praise. The heart goes with her magnificence.

LOVE FOR PARCHED HEARTS 06

The color she wears is that burning heart look, being a new life into the black loneliness. Her heart can now catch with a formula as long as the heart of man. Her heart enjoys life in its own unique splendor.

COLORS FROM A DISTANT LAND

The colors she wears in that faraway heart land, bring a new life into the bleak landscape. Her hair can now catch with a female no longer at the behest of men. Her hair enjoys life in its genuine splendor.

02

*They surround her with their eyes for an hour, as if they would hold a mirror. Her dress is intricate and
the dress is unique. They say the way to hold the eye is with the will, the way of her beauty.*
