NEW FRESH JUST 4 U

Beauty is only skin-deep. If you go after someone just because they're beautiful, but don't have anything to talk about, it's going to get boring fast. You want to look beyond the surface and see if you can have fun or if you have anything in common with this person.

NEW DESIGN LUSI 2.0
There is no definition of beauty, but
when you can see someone's spirit
coming through something unexpect-

Beauty is only skin-deep. If you give someone a
color they will like but don't have anything to
show. If you want to get something that will be
loved by the world and see if you can find it or
have anything in common with the person.
