The beauty of a woman
must be seen
from in her eyes,
because that is the
doorway to her heart,
the place where
love resides...

S.832-005

Since love grows within
you, so beauty grows.
For love is the beauty
of the soul.
Beauty is in the heart of
the beholder.

The beauty of a woman
is not in a facial mode
but the true beauty
in a woman is
reflected in her soul

Beauty awakens the soul
to act. I don't think
of all the misery but
of the beauty that
still remains.

It is the caring that she
lovingly gives the
passion that she shows.
The beauty of a
woman grows with
the passing years.

Beauty is a manifestation
of secret natural laws,
which otherwise would
have been hidden
from us forever.
