

## COLORS FROM A DISTANT LAND

*The colors she wears in that faraway heart land bring a new life into the bleak landscape. Her hair can ever catch with a female no longer at the behest of men. Her hair signifies life in its grandiose splendor.*

**LOVE FOR PARCHED HEARTS 06**

*The color she wears is that fiery heart look, being a new life into the black landscape. Her hair is ever  
etched with a formula as long as the heart of man. Her hair enjoys life in its symphony splendor.*
