ERA DUPATTA VOL-4

I do not have much patience with a thing of beauty that need be replaced by the next thing. I do have much patience with things that are the result of a purpose which I consider to be fulfilled in progress.

*Beauty is only
skin deep. If you go after someone
just because she's beautiful
but don't have anything to talk about, it's going to get boring fast.
You need to look beyond the
surface and see if you can have fun or if you have anything in
common with this person.*

*The beauty of a woman is not in a facial smile but in the inner beauty in a woman is reflected in her soul.
It is the way that she brings out the positive that she shows. The beauty of a woman grows with the passing years.*

*The more often we see the things around us
even the beautiful and wonderful things
the more they become invisible to us.
That is why we often take for granted the
beauty of this world: the flowers,
the trees, the birds, the clouds,
even those we love. Because we see things so
often, we see them less and less.*
