

LOVE FOR PARCHED HEARTS

In the moment that she was your neighbor and then she was your wife, you were the only one who was there for her. In the moment that she was your neighbor and then she was your wife, you were the only one who was there for her. In the moment that she was your neighbor and then she was your wife, you were the only one who was there for her.

**SPRING
GODDESS**

*They arrived for us the loveliest kind of friend,
the gentle, unobtrusive, well-timed kind of friend.
They bring a sense of joy, a sense of
comfort, a sense of peace, a sense of
well-being, a sense of hope, a sense of
optimism, a sense of joy, a sense of peace,
a sense of hope, a sense of joy, a sense of peace,
a sense of hope, a sense of joy, a sense of peace.*
