Admirable
The hardest thing in fashion is not to be known for a logo, but to be known for silhouette.

*Fashion is a great thing, its a way to express who you are. Fashion is a language
some know it, some hear it, some never will like an instinst.*

Distinctive
*Fashion is not something that exist in dress only fashion is in the sky in the street.
fashion has to do with ideas the way we live, what is happening.*

Refreshing Desire

*Fashion should be a form of escapism & not a form of imprisonment.
The difference between style & fashion is quality.*
