

You can wear black at any time. You can wear it at any age. You may wear it for almost any occasion.

Never, ever confuse what happens on a runway with fashion. A runway is spectacle. It's only fashion when a woman puts it on. Being well dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense.

You can wear black at any time. You can wear it at any age. You may wear it for almost any occasion.

You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet.

You can wear black at any time. You can wear it at any age. You may wear it for almost any occasion.

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street. Fashion has to do with ideas, the way we live, what is happening.

I love black because it affirms, designs, and styles. A woman in a black dress is a pencil stroke.

Fashion is not necessarily about labels. It's not about brands. It's about something else that comes from within you.
