## **Impressive** Patterns

A joyful concurrence of convention and style

*Beauty lies about looking pretty. True, it's about looking beautiful and  
You can be beautiful on the outside, but the truth is the inside  
that makes you even more beautiful.*

**Elegance** & Classic  
do fashion as the romance

The idea of fashion is to be different, not to be better. It is to be a part of the world, not to be a part of it.
