Fashion

Fashion is not something that exists in dresses only, Fashion is in the sky, in the street,
Fashion has to do with ideas, the way we live, what is happening.

SHUBH^{nx}

Over the years I have learned that what is important in a dress is the woman who is wearing it.
1002

SN SHUBH^{INX}

I love green because it affirms, designs, and styles.
A woman in a black dress is a pencil stroke.

1006

SV SHUBH INX®

1001
I wear my sort of clothes to save me the trouble
of deciding which clothes to wear.

SHUBH_{mx}

1005

When you don't dress like everyone else, you don't have to think like everyone else.
