The best fashion advice I'd say would be just to do what makes you comfortable and what makes you feel cute, and that's how you're gonna look your best 'cause when you feel your best, everybody else can feel it, too.

Fashion is the armor to survive the reality of everyday life. We don't design clothes. We design dreams. Fashion is very important. It is life-enhancing and, like everything that gives pleasure, it is worth doing well.

A woman with long brown hair, wearing large round sunglasses and a pink floral dress, stands in front of a blue ornate door. The text 'DO MORE OF WHAT MAKES YOU HAPPY' is overlaid on the right side of the image.

DO MORE OF WHAT MAKES YOU HAPPY

What's my style
is not your style,
and I don't see how
you can define it.
It's something that
expresses who you
are in your own
way. Fashion is part
of our culture, and
it's about more than
just a pretty dress.

It makes us feel good, unique, and beautiful. Moreover, fashion boosts the economy and creates jobs for a huge number of people. Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live

We have always believed that fashion was not only to make women more beautiful, but also to reassure them, give them confidence. Style is a way to say who you are without having to speak. Create your own style... let it be unique for yourself and yet identifiable for others.
