"Fashion you can buy,  
but style you possess. The key  
to style is learning who you  
are, which takes years.  
There's no how-to road map  
to style. It's about self  
expression and,  
above all, attitude."

"The work that I'm trying to do speaks to freedom. It speaks justice. And it also speaks to intelligence in terms of like, how can we not see what's happening."

"I think our bodies are beautiful  
and I think celebrating them  
and being comfortable  
in them—no matter what age  
you are—is important.  
There shouldn't be any kind  
of shame or discomfort around it."
