Fashion is part of our culture,
and it's about more than just a pretty dress.

Fashion is anything which is you and reflects your personality, and if you are comfortable with what you wearing, you'll look trendy and fashionable for sure.

I am not trendy. I am not 'in fashion.' I am simply a positive human being who has a positive outlook on life.

"Fashion is what you're offered four times a year by designers. And style is what you choose."
